

“GRUCom is a local partner that provides critical services we count on. We’ve moved away from national providers because GRUCom’s quality, cost and professionalism can’t be matched.”

– Don Savoie, Senior Vice President/CIO,
Meridian Behavioral Healthcare

THE NETWORK BUILT FOR WHAT'S NEXT.

When looking for a solution that positions your business for the future, the answer is GRUCom.

GRUCom offers data transport and networking, colocation and fiber-optic Internet—scalable technologies with unlimited possibilities.

With the area’s only all-fiber-optic network, GRUCom is ready to serve all of your business’s telecommunication needs.

Call 352-334-3200 today for your free business consultation.
