Russell,

We acknowledge the change in duration to 72 hours. Please consider this an approval for the Maintenance Outage Request with the updated duration.

Eric Walters

Subject: RE: GREC Maintenance Outage Request

Eric, I made an error in the duration of the Maintenance Outage requested. It is actually 72 hours duration, or three days, beginning 0700 August 25, 2015. Please let us know if this is acceptable, and I apologize for the error. As stated before, we will be working on feedwater heater HP2.

Regards,
Russell Abel

Subject: RE: GREC Maintenance Outage Request

Russell,

Please provide the following details to complete the Maintenance Outage request (in accordance with Section 6.3 of the Operating Procedure):

1. Proposed start time of the Maintenance Outage
2. Amount of generation capability that will not be available
3. Listing of equipment on which GREC will be working

Subject: GREC Maintenance Outage Request

In accordance with Section 6.3 of the Operating Procedure, GREC would like to take a Maintenance Outage for three days next week- August 25, 26, and 27th. Please let us know if this is acceptable to GRU.

Regards,
Russell Abel
