

## Tired of being left in the dark when your tenants leave?

Now you don't have to be.

With GRU's **LEAVE IT ON!** service, the electric, gas, water, stormwater and solid waste services will remain on after a tenant leaves so you can clean up and prepare the unit for the next rental.

It's easy and it's **FREE**.

Just fill out this form and mail it to P.O. Box 147051, Gainesville, FL 32614-7051, fax it to 352-334-3149, or email it to [BusinessCenter@gru.com](mailto:BusinessCenter@gru.com).

All applications must be returned with a copy of signatory's valid driver's license.

### Save Money

Activation charges will be waived after initial turn on fee, and you could save as much as \$100 on each rental unit when the service is switched to you after your tenant requests a turn off. However, if you turn the service off after it has been activated in your name, there will be fees assessed to reconnect the service again.

### Save Time

No waiting until the next day for a utility hookup.

### Convenient

The meter will be read when your tenant cancels service, and the account will be switched to your name. For your protection, the service will not automatically be switched if the utilities have been disconnected for non-payment, but a call to the customer service department will reinstate service on the following workday. If same-day service is required, there will be a \$40 Same Day Express fee assessed to the account. Stormwater and solid waste management are operated by the City of Gainesville. These services are automatically activated.

### Early Notice

When the account is switched to your name, you will be mailed a courtesy notice. To turn the service off, simply notify us. The notice GRU sends may be your first notice that your tenant is moving. This gives you a head start on preparing for the next rental.

### Easy Sign Up

All you need to do is send in the attached form to add or make changes to the service.

***If you have maintained a satisfactory account with GRU or another utility for at least two years, you are already qualified to sign up for this program. Please allow three business days for account updates.***
