Qualifications

Please see our website or call Gas Marketing for determination of rebate eligibility. Random on-site verification of installed measures may be performed prior to issuing rebate. A CHECK will be issued to the mailing address listed (unless otherwise noted). Please allow 2 to 4 weeks for processing. I hereby agree that the qualifications will be met as stated and that monies due under this allowance may be credited first to the amount, if any, owed to GRU.

GRU Customer Signature*

Date

____ I prefer to receive the Rebate in
the form of a bill credit.
