

# 70%

of the water  
withdrawn   
at GRU is

## returned to the Floridan aquifer

GRU takes its responsibility to ensure an adequate, safe water supply seriously. Water conservation is vital to protect our community's future.

Request a free home survey and our trained staff will visit your home to identify ways to reduce your water and energy use.

Visit [gru.com](http://gru.com) for more information.
