Disclaimer:

This list of contractors is provided as a convenience for GRU customers. GRU makes no representations or warranties regarding the qualifications or quality of workmanship of any of these contractors, nor is the listing to be considered an endorsement of any such contractor. The customer is solely responsible for arrangements for, and results of, any work performed by the contractor. If a contractor is selected and the customer disagrees with the choice, they are free to withdraw from the program.

Important: If a new HVAC system or Water Heating appliance is installed, and there is a change in usage from what was used previously – your monthly utility bill could increase.
