

Letter of Intent: Preliminary analysis of a proposed PV Solar Installation

PV Contractor: _____

Contractor's phone number: _____

Address of proposed PV installation: _____

Current Contract Account # at proposed PV installation: - - - - - - - - - -

Electric meter # at interconnection point: _____

Proposed DC size of PV system: _____

Name of customer account holder: _____

Contact phone number of customer account holder: _____

I acknowledge the listed customer and contractor are in preliminary deliberations on the installation of a photovoltaic system at the listed address. I also acknowledge that I am aware that GRU may contact the customer to confirm the proposal. I understand that upon completion of this Letter of Intent, there are no obligations to execute a sale agreement. Tier 2 and Tier 3 interconnection application fee will be charged to the customer's account at the time of plan review. An approved capacity request will be considered null and void if the listed contractor, interconnection point, or size of the proposed installation changes. All capacity requests are void after one year from approval date.
