Subject: Notification of Closure of a CCR Unit
Attachments: GRU Deerhaven SIS Closure PE Certification.pdf

The email serves as notification of closure completion of the surface impoundment system at GRU's Deerhaven Generating Station, as required by §257.102(h) and §257.106(i)(8). Per the requirements of §257.102(h) and §257.102(f)(3), this notification includes a certification by a qualified professional engineer (see attached) verifying that closure has been completed in accordance with requirements of §257.102(c) (i.e., the requirements described in the unit's Closure Plan). In accordance with §257.105(i)(8) and §257.107(i)(8), a copy of this notification has been placed in the facility's operating record and will be posted to the facility's publicly accessible internet site within 30 days.
